

UNIT TYPE R

SCALE: 1/8" = 1' 0"

GROSS AREA: 2039 SF (5th FLOOR)

GROSS AREA: 2078 SF (2nd - 4th FLOORS)

DECK AREA: 63 SF (ALL FLOORS)

"All floor area measurements and room dimensions provided above are calculated on a pre-construction basis and therefore are only approximate. The final, as-built dimensions and/or floor area measurements of the Unit may vary by up to four percent from those provided above. Upon completion of the Condominium, as-built measurements of the floor area of each unit will be calculated to determine the allocated interests of the units to be set forth in the Condominium Declaration."
